

Alumni Access Program

GIVE YOUR ALUMNI SOMETHING TO CHEER ABOUT

With HeinOnline's remote alumni access, institutions are able to provide their alumni access to the Law Journal Library, a collection of more than 3,000 multidisciplinary journals. But that's not all, we also deliver access to case law powered by Fastcase, a leading next-generation legal research service that features powerful "best-case-first" tools which make case law research faster than ever.

About the Law Journal Library

The Law Journal Library is HeinOnline's signature collection of more than 3,000 fully searchable, image-based journals, each dating back to the first issue ever published. This scholarly journals database spans more than 42 million pages and 40 disciplines, bridging a crucial research gap.

Case Law Linking Powered by Fastcase

Access a wide array of federal and state case law through HeinOnline's partnership with Fastcase. When an article cites a case, the case citation will be highlighted in blue and link to the case in Fastcase. Users also have the option to look up a case by citation with HeinOnline's citation tools.
