

# Index to Foreign Legal Periodicals

The best index for finding the most relevant periodicals for your research.

## No Other Database Rivals the Scope and Coverage of IFLP; Now Covering ALL Jurisdictions

The Index to Foreign Legal Periodicals is the preeminent multilingual index to articles and book reviews appearing in more than 500 legal journals published worldwide. It provides in-depth coverage of public and private international law, comparative and foreign law, and the law of all jurisdictions. The IFLP also analyzes the contents of about fifty individually published collections of legal essays, Festschriften, Melanges, and congress reports each year.

**Translating a Japanese Labor Law Treatise**

INTRODUCTION

I recently translated from Japanese to English a treatise on Japanese labor law written by Professor Kazuo Sugeno of the University of Tokyo Law Faculty. In Japanese, the treatise runs to approximately 650 pages, including end matter (i.e., prefaces, table of contents, indexes). It will print to about 750 pages in English when it is published at the end of 1991 by the University of Washington Press.

By describing how this project was achieved and what was learned from it, this article seeks to persuade other law professors, law students and lawyers — especially those who have not had prior
