

United Nations Law Collection

Quick Reference Guide

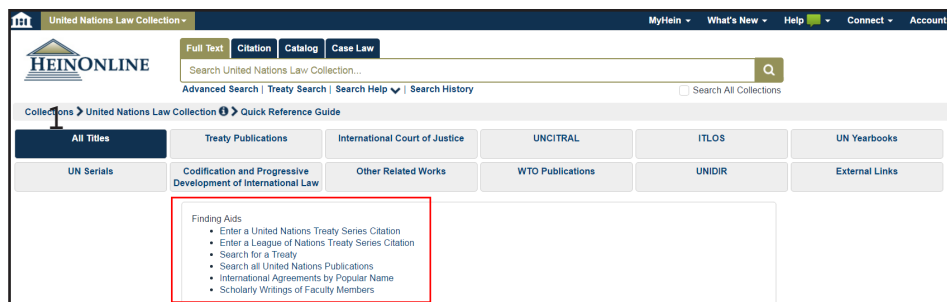

HeinOnline's United Nations Law Collection contains exact reproductions of major United Nations legal publications, including the complete collection of the United Nations Treaty Series, the League of Nations Treaty Series, the Monthly Statement of Treaties & International Agreements, International Court of Justice (ICJ) publications, United Nations Commission on International Trade Law (UNCITRAL) publications, International Tribunal for the Law of the Sea (ITLOS) publications, United Nations Yearbooks, United Nations Serials, Codification and Progressive Development of International Law, United Nations Institute for Disarmament Researcher (UNIDIR) publications, World Trade Organization (WTO) publications, and much more.

Finding Aids and additional features make it easy to find a UN Treaty by entering the UNTS Citation, search for a UN Treaty, and link to law review articles that cite a UN Treaty.

Where do you start?

The Collection Home Page for this library displays prominent browse options, providing the option to browse by:

1. All Titles
2. Treaty Publications
3. International Court of Justice,
4. United Nations Commission on International Trade Law
5. International Tribunal for the Law of the Sea
6. United Nations Yearbooks
7. United Nations Serials
8. Codification and Progressive Development for International Law
9. Other Related Works
10. World Trade Organization Publications
11. United Nations Institute for Disarmament Researcher
12. External Links

There are five different Finding Aids which allow you to quickly pull up a citation, search for a treaty, search all UN publications, view international agreements by popular name, or view scholarly writings. The Finding Aids can be found when browsing by **All Titles** in the collection.

Enter a United Nations Treaty Series (UNTS) or League of Nations Treaty Series (LNTS) citation

Finding Aids			
• Enter a United Nations Treaty Series Citation

If you have a UNTS or LNTS citation, you can quickly enter the citation into the citation tool to access the full text of a treaty. When you click on either link, the tools will be displayed. For example, locate 828 UNTS 221 or 78 L.N.T.S. 163 and click **Get Citation**.

TIP: You may also enter a UNTS or LNTS citation by clicking the **Citation Navigator** tab and inserting the volume, selecting the title, and inserting the page number.

Search for a Treaty

Click the **Search for a Treaty** tool in the Finding Aids on the Collection Home Page.

Using this treaty search option, you can search across a number of different metadata fields for a United Nations treaty (**U.N.T.S.**) or a League of Nations treaty (**L.N.T.S.**).

This search option allows you to narrow your search to only the United Nations Treaty Series (**U.N.T.S.**), League of Nations Treaty Series (**L.N.T.S.**), or both.

You may also access the **Search for a Treaty** tool by clicking **Treaty Search** under the **Full Text** tab.

Use the **drop-down menu** to access additional treaty search field options.

UNTS denotes a search field option available when looking for a United Nations treaty.

LNTS denotes a search field option available when looking for a League of Nations treaty.

Search Field Options Include:

- **Treaty/Registration Number:** Enter the treaty number using the numerical digits only; for example, I. No. 970 would be entered as "970".

The screenshot shows the HeinOnline interface for the United Nations Law Collection. At the top, there's a navigation bar with 'United Nations Law Collection' and links for 'MyHein', 'What's New', 'Help', 'Connect', and 'Account'. Below this is a search bar with tabs for 'Full Text', 'Citation', 'Catalog', and 'Case Law'. The 'Full Text' tab is active, and 'Advanced Search' is highlighted with a red arrow. Below the search bar, there's a grid of collection categories: 'All Titles', 'Treaty Publications', 'International Court of Justice', 'UNCITRAL', 'ITLOS', 'UN Yearbooks', 'UN Serials', 'Codification and Progressive Development of International Law', 'Other Related Works', 'WTO Publications', 'UNIDIR', and 'External Links'. At the bottom, there's a 'Finding Aids' section with a list of search options, including 'Search all United Nations Publications', which is also highlighted with a red arrow.

Use the drop-down menus to search by:

- **Text:** searches across all full text of all titles or selection of titles in the United Nations Library.
- **Title:** including the title of specific sections within the documents, not just a volume title. For example, search “Status, Breadth and limitation of the Territorial Sea” with appears in the United Nations Legislative Series set.
- **Creator/Author:** searches the author/creator of the document
- **Keywords:** search terms found in all metadata fields.
- **Description:** the description of all sections or documents.
- **Date:** searches across the volume date of the United Nations publication, always in YYYY format.

Use the drop-down menu for boolean operators to connect search terms (**AND**, **OR**, **NOT**).

Select Document Type: Search specific document types including All Document Types, Treaty Publications, ICJ, UNCITRAL, ITLOS, UN Yearbooks, UN Serials, Codification and Progressive Development of International Law, Other Related Works, WTO Publications, and UNIDIR.

Select Titles: Narrow the search to one or more titles.

Date: enter date in YYYY format

The screenshot shows the search filters section of the HeinOnline interface. It includes three drop-down menus for 'Text', 'Title', and 'Creator/Author', each with a corresponding 'AND', 'OR', or 'NOT' operator. Below these is a 'Select Document Type' section with a list of document types: All Document Types, Treaty Publications, ICJ, UNCITRAL, ITLOS, UN Yearbooks, UN Serials, Codification and Progressive Development of International Law, Other Related Works, WTO Publications, and UNIDIR. There is also a 'Select Titles' section with a 'Choose By Citation...' dropdown. The 'Date' section has two 'YYYY' format input fields and a 'Sort by' dropdown set to 'Relevance'. The 'Section Types To Search?' section has checkboxes for 'All Sections', 'Check All', and 'Uncheck All', followed by a list of section types: Articles, Cases, Notes, treaty, Comments, Legislation, Contents, Index, and Miscellaneous. A 'Search' button is at the bottom.
