# Access ORCID Records via Author Profiles

The author's ORCID record is now available in a new secondary tab.

The record that appears includes the author's biography, metadata, and non-HeinOnline works (and even lists their sources).

If you've already aligned your ORCID iD with HeinOnline, this feature has already been implemented for you!\*

The screenshot displays an author profile interface. At the top, there are two tabs: 'HeinOnline Works' and 'ORCID Record', with the latter highlighted in green and indicated by a red arrow. Below the tabs, the profile information is organized into sections: 'Also known as' (Bonnie Ripp-Shucha), 'Websites & Social Links' (UW Law School Profile), and 'Other IDs' (ResearcherID: J-4530-2014, Scopus Author ID: 6508141188). A dark navigation bar contains expandable sections for 'Employment (5 of 5)', 'Education and qualifications (3 of 3)', and 'Works (9 of 9)'. Below this, two work entries are shown. The first entry, 'New Possibilities for Sociolegal Scholars: Hein, ORCID, and your Scholarly Profile', has a 'Source: DataCite' label highlighted with a red box and a red arrow. The second entry, 'White Slavery in the Northwoods: Early U.S. Anti-Sex Trafficking and Its Continuing Relevance to Trafficking Reform', has a 'Source: Bonnie Shucha' label highlighted with a red box and a red arrow. Both sources are marked as 'Preferred source'.

\*ORCID record data must be configured with the appropriate visibility settings to properly display.
