New Databases
Research the functions of the federal government in administering these essential armed forces, as well as the issues confronting service personnel both on and off the battlefield.

Access primary source documents such as committee prints, government reports, congressional hearings, legislative histories, and much more.

Includes more than 17,600 titles, which have all been subject-coded based on the topic discussed and service branch in question (where applicable).
NOMOS: American Society for Political and Legal Philosophy

February 2021 | Included at no additional cost to all HeinOnline Core subscribers

Robust thematic collection of more than 60 volumes* covering valuable interdisciplinary research.
*Volumes 7-16 are available as indexing only, as these are pending licensing.

Highly regarded series including scholarly works from some of the most distinguished and accomplished scholars in political and legal philosophy.

Discoverable in the Law Journal Library with a two-year embargo.
Civil Rights and Social Justice

October 2020 | Free to HeinOnline Core subscribers and any interested organization

Comprised of nearly 4,000 titles, including more than 650 from the United States Commission on Civil Rights.

Browse through our dedicated subcollection hosting more than 1,100 congressional hearings.

Learn the process that went into passing civil rights legislation and their various evolving pieces with our curated list of nearly 50 legislative histories.

Included in HeinOnline’s **Social Justice Suite**, perpetually free for any interested organization. Also included in the Social Justice Suite

- **Slavery in America and the World**
- **Gun Regulation and Legislation in America**
Hackney Publications is the nation’s leading publisher of sports law periodicals.

These journals provide analyses to help professionals make the best business decisions, covering every aspect of the sports law industry from esports to concussions.

The new Premium Package provides subscribers with access to current content of all 12 sports law journals.
A comprehensive resource for primary and secondary material such as government documents from the executive, legislative, and judicial branches as well as related books and scholarly articles.

Browse hundreds of congressional hearings, reports, memoranda, related scholarly articles, and other documents from all three government branches.

Extensive metadata indexing, allowing for unique browse options and a custom search index.
Analyze the government response to COVID-19 and other pandemics, as well as their effect on public health, economics, society, and the world.

Access hundreds of CRS and GAO reports, updated regularly as this fluctuating situation evolves.

Find content grouped into four areas: Economic Impact, Global Impact, Health Care Impact, and Societal Impact.

Features a subcollection dedicated to Past Pandemics, allowing researchers to access information on responses to past pandemics and how they informed today’s response.

Databases Enhancements
We recognize the troubled history surrounding the term “American Indian” and “Native American.” For this reason, we have decided to rename the American Indian Law Collection to Indigenous Peoples of the Americas: History, Culture & Law.

This update is simply to give this essential resource and its tools a more appropriate name.
Welsh Legal History Society publications have been added as a new subcollection to the Selden Society Publications and the History of Early English Law database, at no additional cost to subscribers!

Users can explore essays and monographs covering a variety of periods and subjects.

The Welsh Legal History Society exists to spread knowledge of, and promote research into, the rich history of law in Wales.
Electoral College has been added as a new subcollection to the U.S. Presidential Library.

The Electoral College subcollection is dedicated to explaining how the electoral college system works, the history of its formation, debates around its efficiency, as well as efforts to reform and even abolish it.

It brings together hearings, committee prints, CRS and GAO reports, books, treatises, and more on the electoral college.

Navigate using the A-Z anchor or jump into the U.S. Presidential Library’s Advanced Search and use the Select Document Type box to search for content within the Electoral College subcollection.
New chapters available
- Beer Law
- Voter Law

Recently updated chapters
- Civil Rights
- Corporal Punishment in Public Schools
- Deceptive Trade Practices

New Availability search facet improves journal research further, allowing users to limit results by full-text or indexing.

This new feature came after a valuable suggestion from a customer who was looking for a way to filter out journals that were indexed only.

The Law Journal Library now contains nearly 3,000 journals!
