IFLP ALERTS

The screenshot shows an email notification from HeinOnline and AALL. The header includes the logos for HEINONLINE and AALL (YOUR LEGAL KNOWLEDGE NETWORK™). The main text reads: "IFLP Alert Notification - June 2023" and "Index to Foreign Legal Periodicals (IFLP)". Below this, it states: "IFLP is a product of the American Association of Law Libraries (AALL), compiled and edited by the IFLP staff at Berkeley Law Library at the University of California." A link for "Regions" is provided. The email content lists a specific alert under the heading "REGIONS":
Region: Asia
"The Court" rises: the new use of depersonalised opinions on the Hong Kong Court of final appeal.
Hargreaves, Stuart
[\[Available in HeinOnline\]](#)
Region: Asia
Country Subject(s): Hong Kong
Journal: Hong Kong Law Journal
Citation: 51 Hong Kong LJ 141
Language: English

POP QUIZ

What kitchen utensil is prominent in Boston?

A) Cheese grater

B) A teapot

C) Wooden spoon

D) Spatula

POP QUIZ

What kitchen utensil is prominent in Boston?

B) A teapot

Boston is home of the famous “tea party” and a steaming kettle is still the historic landmark found on the Sears’ Crescent building.

The screenshot shows the HeinOnline website interface. At the top, there is a search bar with the text "Search Law Journal Library..." and a magnifying glass icon. Below the search bar, there are links for "Advanced Search", "Search Help", and "Citation Navigator". On the right, there is a "Search All Databases" button. The main content area is divided into two columns. The left column contains a list of articles, with the article "Mapping the Margins: Intersectionality, Identity Politics, and Violence Against Women of Color" by Kimberle Crenshaw highlighted in yellow. The right column displays the full text of this article, including the title, author name, and the beginning of the introduction. The article title is "Mapping the Margins: Intersectionality, Identity Politics, and Violence Against Women of Color" and the author is "Kimberle Crenshaw*". The introduction starts with "Over the last two decades, women have organized against the almost routine violence that shapes their lives." The interface also includes a navigation bar with icons for home, search, and other functions, and a "More Like This" button.

Separation of Powers within the United Nations: A Revised Role for the International

At the normative level, the purpose of this article is to help revive⁷ aspects of an attractive conception of governance—we may call it republican⁸—to point out its often neglected but

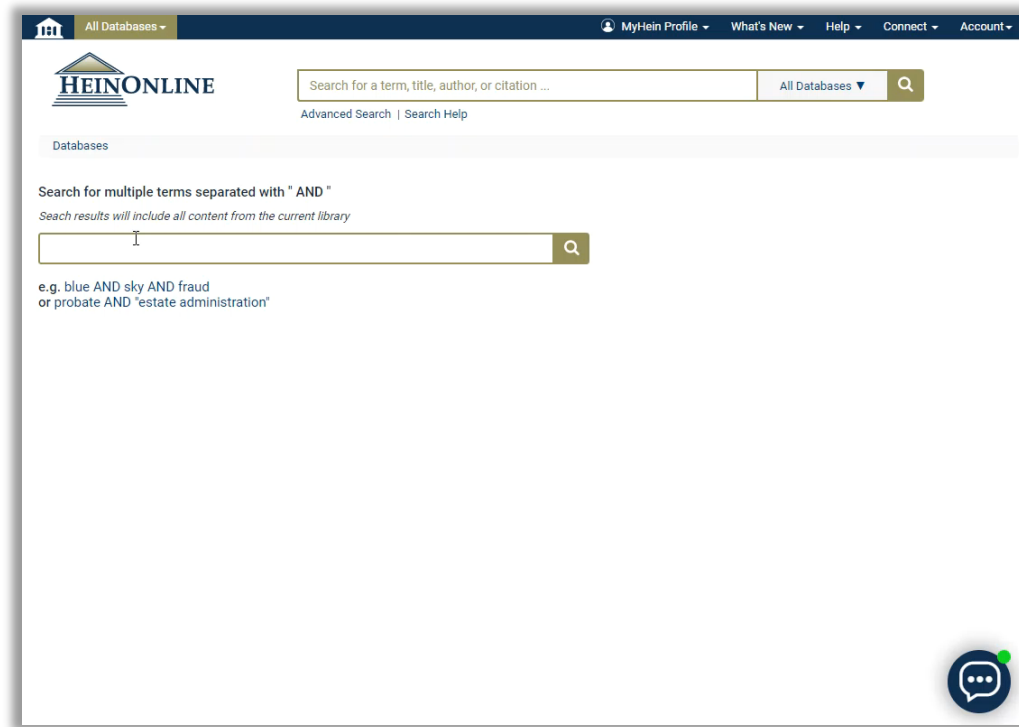

4. As indicated below, the term "Madisonian" is used in a distinct sense; it does not refer to the now well-established (but in my view erroneous) pluralist understanding. See, e.g., R. DAHL, A PREFACE TO DEMOCRATIC THEORY (1956); Bork, *Neutral Principles and Some First Amendment Problems*, 47 IND. L.J. 1 (1971).

5. 5 U.S.C. §§ 551-55, 701-86 (1982).

6. The most important such theory is pluralism. See, e.g., R. DAHL, *supra* note 4; Stigler, *The Theory of Economic Regulation*, 2 BELL. J. ECON. & MGMT. SCI. 3 (1971).

7. The republican understanding is in the midst of a general revival in various disciplines. In history, see, e.g., J. POCOCK, THE MACHIAVELLIAN MOMENT (1975); POCOCK, *Virtues, Rights, and Manners: A Model for Historians of Political Thought*, 9 POL. THEORY 353 (1981); in political theory, see, e.g., A. MACINTYRE, AFTER VIRTUE (2d ed. 1984); LIBERALISM AND ITS CRITICS (M. Sandel ed. 1984); Gutmann, *Communitarian Critics of Liberalism*, 14 PHIL. & PUB. AFF. 308 (1985); in sociology, see M. JANOWITZ, THE RECONSTITUTION OF PATRIOTISM: EDUCATION FOR CIVIC CONSCIOUSNESS (1983); R. BELLAH, R. MADSEN, W. SULLIVAN, A. SWINDLER, & S. TIPTON, HABITS OF THE HEART (1985); in law, see Michelman, *Politics and Values or What's Really Wrong with Rationality Review?*, 13 CREIGHTON L. REV. 487 (1980); Stewart, *Regulation in a Liberal State: The Role of Non-Commodity Values*, 92 YALE L.J. 1537 (1983). This revival may be a part of more general trends. For overviews, see R. BERNSTEIN, BEYOND OBJECTIVISM AND RELATIVISM (1983); F. DATHEMAYR, POLITIK AND PRAXIS (1984).

Overview

About the Law Journal Library

The Law Journal Library is HeinOnline's signature collection of more than 3,200 fully searchable, image-based journals, each dating back to the first issue ever published. This scholarly journals database spans more than 44 million pages bridging a crucial research gap.

Every document in the library is an exact recreation of its print counterpart, while still providing the ease and speed that accompanies online searching. To improve discoverability of relevant content, this database has also been integrated with a number of unique artificial intelligence tools and research aids.

Though initially named the "Law" Journal Library for the content it originally contained, this resource has grown from a small collection of law reviews to a multidisciplinary journals database spanning tens of millions of pages. Its coverage is comprehensive and includes works from 60 different countries, as well as 50 states and the District of Columbia. The journals in this database span more than 1,500 research subjects.

Subjects include:

- Political Science
- Science and Technology
- Criminal Justice
- Immigration
- Economics
- Religion
- International Relations
- Gender and Sexuality
- And many more!
