

Congress & the Courts

Covering the Creation, Structure and Organization of Federal Courts and Judiciary

Congress and the Courts brings together materials reflecting congressional concern with the composition and structure of Article III Courts and provides all relevant documents prepared by various Congresses relating to the purpose, formation, organization, and restructuring of the judiciary.

This collection focuses on the development and growth of the federal courts and judiciary and is a source of original material of congressional fact finding and decision making. Decades of legislative intent, testimony, and pre-enactment history is provided in one centralized collection.

Congress and the Courts contains:

- Congress & the Courts: A Legislative History 1787-2010
Compiled by William H. Manz
- Federal Judicial Center Publications
- Periodicals
- Links to Scholarly Articles
- CFR Title 28 - Judicial Administration
- Other Related Works
