

European Centre for Minority Issues

**HeinOnline contains several publications of the ECMI,
including ECMI Reports and Working Papers**

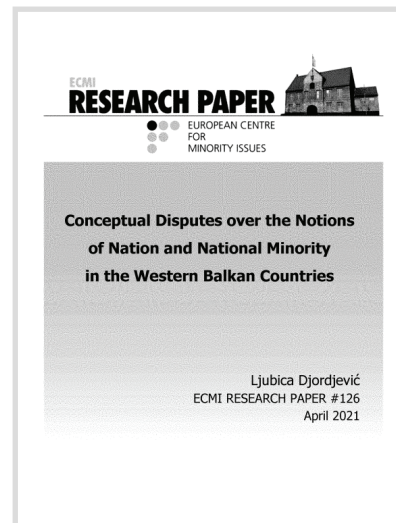

About ECMI

The European Centre for Minority Issues (ECMI) conducts practice-oriented research, provides information and documentation, and offers advisory services concerning minority-majority relations in Europe. It serves European governments and regional intergovernmental organizations as well as non-dominant groups in the European area. The Centre also supports the academic community, the media and the general public through the timely provision of information and analysis.

European Centre for Minority Issues
