WHY LIBRARIES CHOOSE HEINONLINE

AFFORDABLE

In addition to the wealth of material available at an incredibly reasonable price, nearly one million pages are added each month, greatly increasing the value of a subscription. Many institutions are switching to HeinOnline to replace existing resources for half the price!

AUTHORITATIVE

HeinOnline is composed of image-based PDFs, which are as authoritative as print material for citation purposes, because they are exact facsimiles of the original print materials. Documents contain exact pagination, as well as graphs, charts, or pictures found in the print version. Users will feel as if they have the print version directly in front of them, just in a searchable, digital format!

COMPREHENSIVE

HeinOnline contains more than 3,300 journals on a variety of subjects, including animal rights, human rights, political science, history, gender studies, election law, civil rights, foreign relations, and more. All journals date back to inception and more than 90% are available through the current issue or volume. HeinOnline also contains comprehensive coverage of U.S. federal government and state session laws.

TOOLS

Hein's ScholarCheck helps users navigate between related material with in-line linking and various citation metrics, including most-cited and most-accessed. MyHein is HeinOnline's personal research tool, which allows users to bookmark articles save search queries, set up eTOC alerts, and more. Author Profile Pages display a page which will showcase an author's articles and ScholarCheck rankings.

SCOPE AND DEPTH

Coverage of United States government publications is comprehensive back to inception, and all titles are exact replicas of the official print publication from the Government Printing Office. Government documents are easy to browse and search and, in many cases, covers material far beyond the range available other commercial publisher or even government websites.

SEARCH ENGINE

HeinOnline's powerful search engine and user-friendly interface combine to provide both new and experienced users with an excellent research experience. Locating documents is quick, and searching includes facets to guarantee relevant search results.

CUSTOMER SERVICE

The support team at HeinOnline is second to none, providing users with searching and document retrieval assistance, customized web-based training, and exemplary customer service. Users can contact us via email, phone, live chat, or social media. The staff behind HeinOnline is extremely receptive to feedback. Some of our best features and tools have come from user suggestions!

HELP & TRAINING

HeinOnline's help pages provide a wealth of resources, including training guides, FAQs, and videos to help users get the most from their subscriptions. Free, customizable training sessions are available from HeinOnline experts.

MOST POPULAR RESOURCES

LAW JOURNAL LIBRARY

Academic journals provide a wealth of information regarding law and law-related issues, as well as in-depth analyses of important legal decisions. The Law Journal Library is comprehensive, beginning with the first issue ever published of more than 3,300 periodicals. With more than 48 million pages of articles, comments, notes, book reviews, cases, decisions, and legislation, this database bridges an important research gap.

The Law Journal Library contains periodicals covering 1,500 subject areas which are published in more than sixty different countries. One of the most advantageous features of HeinOnline is that it is an image-based database, providing exact page images as they originally appear in hard copy. Therefore, all charts, graphs, photographs, and footnotes appear where they belong!

GOVERNMENT DOCUMENTS

HeinOnline contains comprehensive coverage of documents from the U.S. Government such as congressional hearings, committee prints, and more! Databases include:

- Congressional Record (1873-date)
- Congressional Record Daily (1980-date)*
- Federal Register (1936-current)*
- Code of Federal Regulations (1938-current)
- U.S. Congressional Serial Set
- U.S. Statutes at Large (1789-current)
- U.S. Code (1925-current)
- U.S. Federal Legislative History Library (1800-date)
- U.S. Supreme Court Library (1754-date)
- U.S. Federal Agency Documents, Decisions, and Appeals
- U.S. Presidential Library

** These databases are updated daily!*

CASE LAW

CourtListener is a comprehensive legal research tool that provides one of the most extensive collections of American case law available online. Developed by the Free Law Project, this content covers over 99% of all precedential legal case law published in the United States. HeinOnline has integrated CourtListener into its product offerings, ensuring that all HeinOnline Core subscriptions include access to CourtListener's case law.

This content provides HeinOnline researchers with over nine million legal decisions from more than 2,000 courts, continuously updated to reflect the latest court rulings. CourtListener prioritizes data quality through machine learning and human verification, providing primary source documents directly from court websites. Additionally, CourtListener collaborates with courts to facilitate direct publishing and generate neutral citations upon case issuance, further enhancing its reliability and accessibility for researchers.

INTERNATIONAL RESOURCES

HeinOnline offers a large assortment of international resources, such as:

- Annual Statutes of Canada
- Brill Nijhoff Journal & Yearbook Collection
- Foreign & International Law Resources database
- Foreign Relations of the United States

"Hein is one of my longtime favorite companies. Y'all have a great product and I've never (NEVER!) had a bad customer service experience with Hein. Everyone I've ever asked/talked to/whined at has been knowledgeable and kind. And this has been the case for over 20 years. I don't dread getting in touch with y'all, even if my question/situation is weird. Thank you from the bottom of my withered little heart."
