- Much more!
WHY LIBRARIES CHOOSE HEINONLINE

**AFFORDABLE**
In addition to the wealth of material available at an incredibly reasonable price, more than one million pages are added each month, greatly increasing the value of a subscription. Many institutions are switching to HeinOnline to replace existing resources for half the price!

**AUTHORITATIVE**
HeinOnline is composed of image-based PDFs, which are as authoritative as print material for citation purposes, because they are exact facsimiles of the original print materials. Documents contain exact pagination, as well as graphs, charts, or pictures found in the print version. Users will feel as if they have the print version directly in front of them, just in a searchable, digital format!

**COMPREHENSIVE**
HeinOnline contains more than 3,000 journals on a variety of subjects, including animal rights, human rights, political science, history, gender studies, election law, civil rights, foreign relations, and more. All journals date back to inception and more than 90% are available through the current issue or volume. HeinOnline also contains comprehensive coverage of U.S. federal government and state session laws.

**TOOLS**
Hein's ScholarCheck helps users navigate between related material with in-line linking and various citation metrics, including most-cited and most-accessed. MyHein is HeinOnline's personal research tool, which allows users to bookmark articles, save search queries, set up eTOC alerts, and more. Author Profile Pages display a page which will showcase an author's articles and ScholarCheck rankings.

**SCOPE AND DEPTH**
Coverage of United States government publications is comprehensive back to inception, and all titles are exact replicas of the official print publication from the Government Printing Office. Government documents are easy to browse and search and, in many cases, covers material far beyond the range available other commercial publisher or even government websites.

**SEARCH ENGINE**
HeinOnline's powerful search engine and user-friendly interface combine to provide both new and experienced users with an excellent research experience. Locating documents is quick, and searching includes facets to guarantee relevant search results.

**CUSTOMER SERVICE**
The support team at HeinOnline is second to none, providing users with searching and document retrieval assistance, customized web-based training, and exemplary customer service. Users can contact us via email, phone, live chat, or social media. The staff behind HeinOnline is extremely receptive to feedback. Some of our best features and tools have come from user suggestions!

**HELP & TRAINING**
HeinOnline's help pages provide a wealth of resources, including training guides, FAQs, and videos to help users get the most from their subscriptions. Free, customizable training sessions are available from HeinOnline experts.
Hein is one of my longtime favorite companies. Y’all have a great product and I’ve never (NEVER!) had a bad customer service experience with Hein. Everyone I’ve ever asked/talked to/whined at has been knowledgeable and kind. And this has been the case for over 20 years. I don’t dread getting in touch with y’all, even if my question/situation is weird. Thank you from the bottom of my withered little heart.
