MyHein: New and Improved Interface

Empowerment Through Information
Overview

When MyHein was initially launched in 2008, it was merely a bookmarking tool. Since then, this HeinOnline staple has become a multidimensional research tool for power researchers. For the first time, MyHein has received a major face-lift. All functionality has remained the same, but now MyHein is easier to use and easier on the eyes. We’ll explore:

- What’s Changed
- How to Use MyHein
- New Feature
What's Changed
What’s Changed

Old Interface
What’s Changed

New Interface

The biggest changes to the interface include:

- The menu list has moved.
- Tags are now folders.
- Buttons have replaced icons.
- Entire search results are now displayed.
What’s Changed

New Interface

View the static MyHein User’s Guide link that will follow you throughout the platform.

Click the 📚 icon to learn more about how to use the feature.
How to Use MyHein
How to Use MyHein

Account Settings

- Update your first and last name, or user type
- Reset your MyHein password
- Delete your account
- Link your Google account for seamless access
How to Use MyHein

Bookmarks

Journal articles can be exported from within MyHein to a CSV, RefWorks, EndNote, BibTeX, and an RIS file.

Edit a folder name or delete a folder.

Bookmarks include links to an author’s profile page and PathFinder subjects.

Download documents or add a note.

How to Use MyHein

Search Queries

Journal articles can be exported from within MyHein to a CSV, RefWorks, EndNote, BibTeX, and an RIS file.

Edit a folder name or delete a folder.

Bookmarks include links to an author's profile page and PathFinder subjects.

Download documents or add a note.
How to Use MyHein

Search History

- Provides information of your search query and where your search was run
- Ability to disable search history
- Ability to email results
- Ability to add a note
How to Use MyHein

**eTOC Alerts**

Great way to manage your online collections and ensure you will never miss a new issue of your selected title(s)

- Users are notified each month via email if any new content is added to their saved titles
- Add a note for yourself, or add additional emails to receive the notification (maybe for a friend or colleague)
How to Use MyHein

Favorite Databases ★

Mark databases as favorites to push them to the top of your HeinOnline welcome page.

Your favorites list can be adjusted at any time by deselecting or selecting new databases.
How to Use MyHein

Author Alerts

- Email address used to create your MyHein account and the address used to sign up for author alerts must match.
- Adjust alerts via MyHein.

How to Use MyHein

Author Portal

Authors who have enhanced their author profile page to include their email addresses have the ability to edit their own author profile information through MyHein.

University and college librarians can become administrators and edit their faculty’s profiles for them.

Admins can download a CSV of all authors’ data and metrics.

Users can add an author’s job title, tenure status, social media links, and more.
How to Use MyHein

SmartCILP Portal

- Ability to manage SmartCILP notifications via MyHein
- Users affiliated with an institution may also request to become administrators
- Adjust what alerts you are receiving, or unsubscribe.
