

What's New?

HEIN OF THE CENTURY

NEW HEINONLINE DATABASES

[American Enterprise Institute](#) | June 2020

This database brings AEI's collection of scholarship to HeinOnline's fully searchable image-based format. Within the American Enterprise Institute database, users have the ability to browse a collection by title, author, or date. Additionally, unique to this database is the ability to browse titles by Policy Area.

[Bibliography of American Law School Casebooks, Second Edition](#) | May 2020

A companion piece to the second edition, the new online database presents as extensive as possible a list of those casebooks intended for use in law schools and published in the United States from their inception in 1871. The incorporation of **4,000 new entries** since the first edition make this resource the only comprehensive casebook index in **both print and digital format**.

[Current Index to Legal Periodicals \(CILP\) - New Acquired](#) | February 2020

Current Index to Legal Periodicals (CILP) is a publication that has been issued by the University of Washington School of Law's Marian Gould Gallagher Law Library for nearly 90 years. The William S. Hein Company and HeinOnline are proud to continue the publication of this crucial resource for legal scholars. Under Hein's direction, the function and purpose of CILP will remain exactly the same—to provide a weekly, subject-categorized index of the most recent law journal issues.

[U.S. Presidential Impeachment Library](#) | December 2019

Organized around the four affected presidents, this collection brings together a variety of documents both contemporaneous and asynchronous to each president's impeachment, presenting both a snapshot of the political climate as each played out and the long view history has taken of past proceedings.

[State Constitutions Illustrated](#) | November 2019

HeinOnline's State Constitutions Illustrated is a collection of the **constitutions of the 50 states of the United States**, together with related documents and resources. Containing the text of every constitution that has been in force for every state with the original, consolidated and current texts and an extensive collection of documents from before statehood.

[Business and Legal Aspects of Sports and Entertainment \(BLASE\)](#) | October 2019

Winner of the 2020 Joseph L. Andrews Literature Award! Edited by Frank Houdek and Ed Edmonds, HeinOnline's Business and Legal Aspects of Sports and Entertainment (BLASE) is designed to assist researchers in locating sources relevant to the many issues surrounding the critically important subject areas of sports and entertainment, both of which have now attained global prominence.

[Democracy in America](#) | August 2019

HeinOnline is proud to partner with Alan Keely, Associate Director for Collection Services at Wake Forest Law Library, to showcase a new and exciting version of Alexis de Tocqueville's classic work, *Democracy in America*, complete with **more than 1,000 annotations and references**.

MAJOR DATABASE UPDATES

[American Indian Law Collection](#)

New enhanced collection at **no additional cost for subscribers!** This database now includes extensive treaty coverage, editorialized treaties, and a brand new search tool.

[Cataloging Legal Literature, 5th Edition](#)

Newly-revised edition of the essential legal cataloging manual! It addresses the needs of large and small law libraries alike, particularly those who wish to follow national cataloging standards, including the Library of Congress and the Program for Cooperative Cataloging. CLL5 addresses RDA instructions and terminology as found in both the current RDA Toolkit and its Beta Site.

[Criminal Justice & Criminology](#)

HeinOnline has been working tirelessly to incorporate a massive update into one of our most popular databases, *Criminal Justice in America: U.S. Attorney General Opinions, Reports, and Publications*. To make this update as effective and easy-to-use as possible, we've completely **reorganized the database, subject-coded the material**, and have **given the collection itself a new and improved name** more reflective of its new and improved content. We have added **more than 2 million pages** and **1,300 titles** with this revamp!

[Session Laws Library Indexing Project](#)

The following states have been indexed to the Chapter or Act level back to inception:

- | | | | |
|---------------------------|-----------------------------|------------------------------|------------------------------|
| • Arkansas (1818-2018) | • Indiana (1801-2018) | • Mississippi (1799-2017) | • Tennessee (1792-2017) |
| • California (1849-2018) | • Louisiana (1804-2016) | • New York (1691-2017) | • Texas (1836-2017) |
| • Connecticut (1672-2017) | • Maryland (1692-2018) | • Ohio (1788-2006) | • Vermont (1778-2019) |
| • Florida (1822-2018) | • Massachusetts (1661-2016) | • Pennsylvania (1700-2015) | • Virginia (1661-2018) |
| • Georgia (1735-2017) | • Michigan (1806-2018) | • Rhode Island (1636-2017) | • West Virginia (1861-2018) |
| • Illinois (1809-2017) | • Minnesota (1850-2018) | • South Carolina (1694-2017) | • <i>Next up: Washington</i> |

[World Constitutions Illustrated](#)

Since AALL 2019, **327 new constitutional documents** were added to hierarchies for **76 countries**.

NEW FEATURES

[Author Profile Pages](#)

- [Explore This Author](#): Use the tool to discover an author's frequent co-authors, journals, topics, organizations, people, and locations.
- [Editing Your Existing Author Profile](#): Authors who have enhanced their author profile page to include their email addresses have the ability to edit their own author profile information through MyHein.
- [Editing Faculty Author Profiles for Your Institution](#): University and college librarians may request to become administrators so that they can edit their school's faculty author profiles.
- [ORCID Integration](#): HeinOnline has integrated with ORCID, a registry of unique identifiers (called ORCID iDs) for researchers and scholars. Registering for an ORCID iD is free, and will ensure that you receive accurate attribution for your contributions to the legal field. Connecting your ORCID iD to HeinOnline allows you to display your unique research identifier on your HeinOnline author profile page, and also display your HeinOnline works on your ORCID record.
- [Google Scholar and SSRN Profile Linking](#): Authors now have the added ability to link to Google Scholar Profiles and SSRN Profiles

[Citation Lookup Tool](#)

Head right over to the U.S. Congressional Serial Set landing page to utilize our new citation lookup tool, a series of drop-downs at the top left of the page. Select the document type, Congress, and document number as shown to the right.

[NoodleTools](#)

To enhance the research experience for all HeinOnline users—and particularly high schools, colleges, and universities—we're excited to announce that we've integrated with NoodleTools, a popular online research management platform designed for any level of research experience.

NEW CONTENT

Now containing more than 184 million pages and more than 283,000 titles!

Overall, more than 9.9 million pages and more than 29,800 titles have been added to HeinOnline since AALL 2019!

[Law Journal Library](#)

Now including more than 2,800 journals!

Added in the last year:

- 123 new journals
- More than 1.6 million pages

[Legal Classics](#)

Now including more than 16,000 titles!

Added in the last year:

- More than 2,118 titles
- More than 1.1 million pages

Available in HeinOnline

[U.S. Federal Legislative History Library](#)

Now including more than 2,500 titles!

More than 56 new titles added in the last year.

AWARDS

Business and Legal Aspects of Sports and Entertainment

Winner of the **2020 Joseph L. Andrews Legal Literature Award**. The award recognizes a significant textual contribution to legal literature. The textual work may be a book, pamphlet, periodical contribution, website, database, or publication in some other format. Nominations for the Andrews Award shall be measured by the creative, evaluative elements and the extent to which originality and judgment were factors in the formation of the work. The term 'legal literature' is meant to be broadly defined, and includes works that: 1) are bibliographical in nature, listing the works of a particular author, printer, or country, or a particular theme; or 2) contribute to the body of legal literature and that also contribute to advancing legal research or law librarianship.

HEINONLINE LIBGUIDES PROJECT CONTINUES!

More than 30 guides added within the last year!

Access informational LibGuides about a database from within the database itself.

Find an A-Z list of all databases available in HeinOnline at: libguides.heinonline.org, new LibGuides added monthly!

Democracy in America

HeinOnline's interactive digital edition of the classic Tocqueville work, edited by Alan Keely, Associate Director for Collection Services at Wake Forest Law Library.

What Is Democracy in America?

- A Brief Publication History of *De la Démocratie en Amérique*
- Choice of Text Used for the Digital Edition
- Using the Digital Edition
- Note about the Chapter Designations

HeinOnline Specialist

Overview

About Tocqueville's *Democracy in America*

In 1831, two Frenchmen, Alexis de Tocqueville and Gustave de Beaumont, arrived in New York City with a commission from the French Government to study American prisons and penitentiaries. Under this pretext of official business, the life-long friends spent the next nine months traveling throughout the young United States studying the effects of democracy on American society. When they returned to France, they submitted a report on American penitentiaries as duly charged. Then, in 1835, Tocqueville published the real fruits of their travels, the first volume of his masterwork: *De la Démocratie en Amérique* or, as it is more commonly known in the English-speaking world, *Democracy in America*.

Tocqueville, a life-long politician, was interested in comparing democracy in America to what he saw as democracy's failing in France. The America that Tocqueville and Beaumont visited in 1831 was one that was rapidly and radically transforming under the philosophy of Jacksonian democracy. Manifest destiny was physically expanding the country from sea to shining sea. Suffrage had been granted to most white men over the age of 21. Industrialization was moving America from an agrarian to a capitalist society, an irreversible change that sometimes improved but forever altered living standards for the average American while also aggravating sectional tensions between North and South.

Critical and prescient, *Democracy in America* is both an observation of America and a warning to it, a study of democracy and of the dangers within it, containing the author's first articulation of what we know today as the Tocqueville effect: that as social conditions improve, societal frustrations increase.

An instant success on its publication, *Democracy in America* is today considered required reading for students of political and social sciences, and all or parts of it have been translated into Chinese, Danish, German, Hungarian, Indonesian, Italian, Russian, Serbian, Spanish, and Swedish.

About HeinOnline's *Democracy in America*

HeinOnline is proud to partner with Alan Keely, Associate Director for Collection Services at Wake Forest Law Library, to showcase this important work in a new and exciting way. Meticulously researched by Keely, this interactive digital edition takes students and researchers back to Tocqueville's 1831, providing full-text links to the works Tocqueville read while he traveled, researched, and wrote *Democracy in America*. Keely's annotations provide insight into Tocqueville's thinking, grounding *Democracy in America* within the context in which it was written.
