Special Dedication

A message from Hein president, Kevin Marmion

We are dedicating this library to the memory of two significant women who had a critical role in its development. First, Ilene N. Hein, who passed away in 2012. Ilene co-founded William S. Hein & Co., Inc. in 1961 alongside her husband, Bill. Many people recognize Bill Sr. as our first President and CEO and are even more familiar of his travels with Bill Jr., Hein's current CEO, who has guided the Company since his dad's passing in 1976. Like most women of her generation, Ilene was not fully recognized for her corporate contributions. Ilene worked actively from 1961-1992 at the Hein Company, and she set the highest standard for customer service and values, which has become the cornerstone of Hein's customer service.

Finally, to my mom, Margaret (Peggy) Marmion, who passed away in April 2009. She was an avid supporter of women's rights, although most of her career she raised eight children and unselfishly put her own interests behind the needs of her family. If she were born a few generations later I'm sure she would have been running a corporation or changing the world in some way. Her passion lives with me, my brother, and my six sisters. Consequently the subtitle for this library is Peggy.
