## 13. Show Only Results for Periodicals Included in HeinOnline/ Limit Search to Certain Mediums

If you would like to only see results for periodicals that the full text is available for in HeinOnline, simply click the box that says “Show only results for periodicals included in HeinOnline” found under the search button when conducting a search. Or, limit your results to just Articles, Reviews, or Collection Articles with the check boxes under the Search Box. **Note:** Collection Articles are collections of legal essays published in monographs (Festschriften, Mélanges, congress reports, etc.)

## 14. Refining Search Results

Your search may return hundreds of results, and we have integrated facet searching to help narrow these results to help you find what you’re looking for more easily.

On the left-hand side of your results, you will have the option to refine by Author, Subject, Language, Section Type, Date, Country, Region, Resource Type and Journal Title.

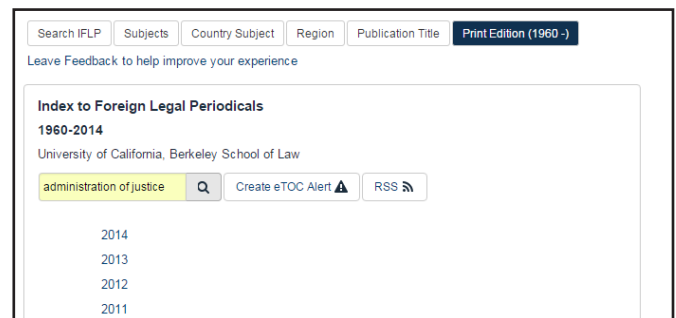

## 15. Searching the Digital Print Index

If you wish to access content prior to 1984, you must use the digital Print Index. To search the print index, first click “Print Edition (1960-)” from the browse options. Or, from the stationary search bar, you can select “Search IFLP Print Edition”.

A search box will appear along with browseable volumes.

When you select a result from your search results page, you will be taken inside the digital print IFLP, and your search terms will be highlighted in green.
